Job title	Sessional Youth Worker – Sports Coach	Salary:	£10.75 per hour
Reporting to:	Sports Coordinator	Holidays:	33 days including bank holidays (pro-rata)
Location:	Unitas Youth Zone	Hours:	Up to 16.5 hours per week, evening, and weekends. *Multiple positions available.

The Person:

Do you love Sports and are you passionate about the role sports can play in changing young people's lives? Do you want to use your sports skills, knowledge, and passion to enable young people to have something to do, somewhere to go and someone to talk to? Are you as happy organising a game of dodge ball for young people who have never tried sports before, as you are supporting our basketball or football team to take part in their next tournament? Do you hold a level 1 or 2 qualification in coaching? Are you committed to your own personal growth and development with a clear growth mindset?

Job Purpose:

Sport and Fitness, alongside the Arts and Youth Work, is at the heart of Unitas's offer to young people. The sports and outdoor offer at Unitas are wide ranging and as a member of the Sports team, you will be key in ensuring young people have access to an exciting and engaging programme of adventurous activities that will be challenging, stimulating, fun, engaging and developmental. You will be involved in teaching the fundamentals of a single sport, or range of sports activities to young people, as well as facilitating taster sessions, competitions and challenges which build young people's engagement, skills, and fitness levels. You will coach and develop teams and support volunteer sports coaches.

Within the Sports Team, we are looking for talented sports and fitness coaches to become part of a team with a wide range of skills, who are also passionate about working with young people. Ideally, you will have experience, or one or more level 2 specific coaching qualifications, from a National Governing Body.

As a consequence of Covid19 Unitas Youth Zone, along with the whole youth work sector, has had to respond accordingly. One of the key responses, in light of restrictions placed upon the sector, is to seek to engage young people in community spaces away from our own purpose-built centre. We need to support young people wherever they need us. We call this 'Unitas 2.0' – a blended approach to delivering youth provision across our own centre, outreach work in the community, satellite provision, mentoring and digital activity.

You will be involved in session delivery, planning, preparation, and work with young people closely. You will be provided all the necessary equipment and training and will be afforded plentiful personal development opportunities.

You will be someone with a clear 'can do' approach, committed to a growth mindset, eager to learn and willing to take risks all for the benefit of supporting young people. You will demonstrate our Values through all you do and will commit to giving your best every session for young people.

Context of the post:

OnSide Youth Zones, established in 2008, has been growing rapidly and has ambitious plans to create 100 Youth Zones in towns and cities, giving young people somewhere safe and inspiring to go in their leisure time. Youth Zones are amazing places: accessible, vibrant, welcoming, fun, and caring are just some of the words used by young people to describe their Youth Zone. Unitas, opening in Summer 2019, will be no exception, and is part of the OnSide network of Youth Zones.

Many young people, particularly those from socio-economically deprived areas, face an endless maze of boredom, loneliness, and temptation, with nowhere to go and a lack of inspiring and productive activities to occupy their leisure time. This can lead to negative impacts on their health, educational attainment, and career prospects. These are the young people that will shape the country's future prospects. It is this paradox that lies at the heart of OnSide's drive to establish a national network of Youth Zones; a proven model of youth service provision that is aligned to community needs and supported by cross-sector funding. Youth Zones give young people affordable access to a broad range of sport, arts, and employability services, designed to help them lead active, positive lives and raise their aspirations for themselves and their community.

Unitas Youth Zone is centrally located, dedicated to young people, and makes a bold statement about the importance of giving young people high quality places to go in their leisure time. Open 7 days a week including school holidays, the Youth Zone's vision is to unite young people to fulfil their full potential. The state-of-the-art £6.5 million building provides young people with access to a range of activities, all offering young people the opportunity to try new things, meet new friends and gain support from friendly, warm, and positive staff and volunteers. The facilities include a 3G pitch, a gym, sports hall and recreation area, and dance, arts, music, and media suites.
