ABOUT ONSIDE

It's about opportunity.

Potential is everywhere. In every home on every street, from affluent suburbs to inner-city estates. The difference is that some young people get every opportunity to explore their potential. Others don't.

It's about opportunity.

We're OnSide, a national charity that believes all young people should have the opportunity to discover their passion and their purpose. To find out what they've got and where it could take them.

We fund and build state-of-the-art, multimillion-pound Youth Zones in the country's most economically disadvantaged areas. We train the amazing people that run them. We offer continuing support via the nationwide OnSide Network, where they can learn and grow, share their stories and celebrate their success together.

These are brand new, purpose-built spaces fizzing with energy, and crammed with incredible facilities. They are staffed by skilled and dedicated youth workers who truly believe in young people - helping them see what they could achieve, and giving them the skills, confidence and ambition to go for it.

This is life-changing support that helps tens of thousands of young people from a diverse range of backgrounds to thrive.

It's inspiring. It's empowering. And it works.

We know it works because we've been doing it for over a decade and we're in this for the long term. Every new Youth Zone is built on the know-how of the last. Every success story writes the first chapter of the next. And we're just getting started.

This is passionate, properly-funded youth provision, with no ifs or buts. A unique partnership between young people and their community, local authorities and private business leadership, and a growing movement of supporters who believe that how we treat the next generation defines who we are as a society.

Because when we really invest in young people, we all benefit - from who they are now, everything they might become and achieve, and everyone they might touch and inspire.

All they need is the chance to shine - an environment where they can be their best selves - and you just watch them go.

It's about opportunity.

UNITAS YOUTH ZONE

Barnet Youth Zone, named “Unitas” by local young people, was the second Youth Zone in London opened by the national charity, OnSide, in the summer of 2019. Since opening, Unitas has welcomed over 7,000 young members and delivered thousands of hours of vital youth provision. It provides a wide range of universal and targeted youth services for the benefit of thousands of young people across North London. Unitas offers young people ‘somewhere to go, something to do and someone to talk to’ on an incredible scale. Through this we transform young lives for the better, helping them see what they could achieve, and giving them the skills, confidence and ambition to go for it.

Unitas is a high quality, inspirational and well-run charity, employing high ratios of exceptional youth and activity workers and an army of volunteers. Unitas changes the lives of many thousands of young people each year - delivering social impact on an incredible scale.

The facilities are second to none, delivering over 20 sporting, artistic, cultural and general recreational activities each session - whenever schools are closed - that’s 7 days a week, evenings and weekends, plus all through the school holidays. At this moment during Covid-19, Youth Zones are offering mixed delivery - including online, in the Youth Zones and via outreach and detached youth work.

Unitas Youth Zone is a proven model of youth service provision that is aligned to community needs and supported by cross-sector funding. Unitas gives 8-19-year-olds, and up to 25 for young people with additional needs, affordable access to a broad range of sport, arts and employability services, designed to empower them to lead healthier, positive and more active lives and raise their aspirations for themselves and their community.

The outstanding quality of the Unitas facilities is a concrete demonstration of the belief that young people deserve the best. Unitas Youth Zone benefits from the guidance, direction and support from colleagues and partners across the network.

Unitas is part of a network of 14 Youth Zones, within the OnSide Network. OnSide’s role is to provide ongoing support to the existing network as the umbrella organisation within a federated structure and also to create new Zones, taking our tried and tested model to ever more young people across the country.

THE ROLE

The dimensions of the role of Youth Zone Chief Executive defy definition in conventional terms. It is strategic and requires effectiveness at a high level, yet at the same time demands very detailed and hands-on management. The Chief Executive will have responsibility for a revenue budget of £1.45m per annum.

A willingness to get stuck into the detail, in an environment without corporate support structures, is therefore as important as the ability to influence effectively at the most senior levels. The Chief Executive’s relationship with the Chair will be supportive and challenging, enabling them to deliver on-going success for the Youth Zone. OnSide is involved at Unitas, both as a Board Member and a support network for the Chief Executives and the Youth Zone teams.

KEY RESPONSIBILITIES

- To ensure that structures, processes and controls are aligned with that strategy and plan
- To generate and deliver a robust funding plan, which will enable the Youth Zone to operate with an appropriate level of reserves
- To establish a vision and inspire the team - helping them to be effective as individuals and together; supporting them to deliver a wide range of ever-changing and improving activities for the young people of Barnet and surrounding areas
- To provide clear leadership for the wider Youth Zone team
- To work with other service providers locally; generating added benefits for young people
- To demonstrate the Unitas Values and have a commitment to Equality, Diversity and Inclusion

WHAT SUCCESS WILL LOOK LIKE

- The team will be strong, well supported and effective at delivering a great, innovative service for young people
- There will be up to 250 young people attending every session, inspired by the continually changing programme on offer
- The Local Authority and business community will continue to feel engaged and that their money is well spent, enjoying the new

strategic business relationships the Youth Zone has created for the area

- Financial control and understanding will be in place, with new income streams being generated, to enable additional work to be done and to ensure the long-term sustainability of the Youth Zone
- The whole community will see the Youth Zone as an asset for the area; they will understand what it does and know how they can get involved.
