

SPONSOR A BAUBLE

Support young people this Christmas

Unitas is working hard to ensure our young people are well-supported this Christmas and have a great time with us in the Youth Zone. We are now launching our Christmas bauble fundraising campaign to help provide an easy and meaningful way to support young people during the festive season.

Platinum bauble - £1,000

This could pay for a full day of our Christmas Holiday Club. The Unitas Holiday Club provides jam-packed days of activities for our junior members (aged 8-12), complete with breakfast and lunch, attracting up to 80 young people per day.

Golden bauble - £500

A Gold bauble is enough to fund a Christmas party during one of our sessions with young people, including a Christmas dinner, games, prizes, and festive activities for up to 200 members per evening.

Silver bauble - £200

This Christmas, Unitas would like to donate festive hampers to the families of some of our more vulnerable members who have experienced hardship this year. This donation could pay for 12 hampers. Each one will include essentials such as tea, sugar, and soups as well as small festive treats and stocking fillers for the whole family.

Bronze bauble - £50

This is enough to pay for a Christmas lunch with all the trimmings for 10 of our members from low-income families.

Please see overleaf for a breakdown of the support package we can offer at the different giving points.
